History Ancient Greece **- Choose one or all of these activities or invent activities of your own**		
Use your existing knowledge or research skills to: • Research the Greek gods family tree. Illustrate this.	Use information books and the internet to research about a particular place in Greece. Can you persuade the class that this is a place to visit?	Find out about the Greek gods. Create an information poster or non-chronological report to record your findings. Include pictures and images of gods if you can. Once complete, share it with a family member.
This term we are looking at encyclopaedia entries. Reasearch anything of interest which relates to Greece and present it in the style of an encyclopaedia entry.	Create a 3 D model of an important historic building in Greece. Present this to the class and explain why it is important.	Create your own Greek god and write a comic strip or story about it. Use the skills learnt in our recent character descriptions to paint a picture of the god with your words.
Read a book containing Greek myths. Choose your favourite myth and retell the story to a family member. Afterwards, illustrate your favourite scene from the story. Write a description beneath your picture to explain what is happening.	The achievements of the ancient Greeks influenced the wider world in many fields, such as medicine, education, democracy and philosophy. Find out about the achievements of a famous ancient Greek person who interests you, such as Plato, Socrates, Hippocrates or Alexander the Great. Record your findings in a few short paragraphs.	**Got a better idea of your own? Fantastic – can't wait to see or hear about your work**!
Finished? Now bring it into class to show your teacher and your classmates. We can't wait to see your work!
